

Join Us

CI Renew is a participatory collaborative focused on promoting a sustainable energy future. It also serves as one of several professional chapters of the Northeast Sustainable Energy Association (NESEA). Membership is open to all interested in increasing energy independence on Cape Cod, Martha's Vineyard, and Nantucket. Your support will help accelerate progress!

Who should join CI Renew?

- **Citizens**
- **Educators & Students**
- **Advocates**
- **Officials**

Turn over this card for more information.

Who should join NESEA – Cape & Islands?

- **Architects & Builders**
- **Auditors & Analysts**
- **Installers & Consultants**
- **Entrepreneurs & Developers**

NESEA offers a range of membership options. A portion of the all dues paid in joining the wider NESEA community is returned to CI Renew to support local activities. Visit www.nesea.org to learn about the annual Building Energy conference and other opportunities available to members.

Questions about membership options?

**Lindsey Close, CI Renew Membership Coordinator
Cape & Islands Self-Reliance, North Falmouth
508.563.6633 • lindsey@reliance.org**

Questions about collaborative activities?

**Chris Powicki, CI Renew President
WEEinfo Services, Brewster
774.487.4614 • crisp@weeinfo.com**

For updates on CI Renew events and activities, show us some love on Facebook and join our electronic mailing list at register@cirenew.org.

Public Membership

Please join CIRenew and support collaborative endeavors aimed at reducing our dependence on fossil fuels and increasing our reliance on renewable resources.

Citizens, educators, students, advocates, energy and recycling committee members, and other officials are encouraged to take advantage of our **public membership option**. (Professionals and businesses should consider joining **NESEA – Cape & Islands**, an association committed to advancing sustainable practices in the built environment. Visit www.nesea.org for details.)

As a member, you help support CIRenew participants in providing the following events and services in local communities:

- **Public forums** – insights from experts and officials discussing key issues, emerging opportunities, and cutting-edge technologies
- **Consumer workshops** – practical energy-saving advice, ideas, and demonstrations from NESEA – Cape & Islands professionals
- **Tours** – real-world exposure to local solar, wind, bioenergy, and green building installations
- **Technical support** – expert resources for implementing clean energy projects and community initiatives

To join, visit www.cirenw.org or return this form to CIRenew care of Cape & Islands Self-Reliance, Box 396, North Falmouth, MA 02556.
